

## PUBLIC NOTICE

### MOSQUITO FOGGING

Mosquito fogging will be carried out in Aurukun on:  
Thursday 21 August - Friday 22 August 2025

This activity is part of Council's ongoing public health and pest control efforts to reduce mosquito-borne illnesses

#### **What you need to do:**

- Close all doors and windows during fogging times
  - Secure pets indoors or in a safe area
- Cover or bring inside outdoor furniture, toys, pet food and water bowls
  - Avoid direct exposure to the fogging mist
  - Stay indoors if you have respiratory issues

Your cooperation is appreciated to help keep our community safe and healthy
